Testimonial

Dear Coach Jones:

I just wanted to thank you for a wonderful week of basketball camp for my son, Thomas. He has never played basketball formally and this was a great introduction to the game. When we arrived on Monday I was concerned because the other campers were more experienced and older. Thomas came home that first day and could not stop talking about how much fun he had and the different children he met. He spoke of the drills and games and how "cool" it all was. He said today that it was the "best camp he had ever been to" and wanted to know if we could go to the College Basketball games in the winter!

The award ceremony cemented my praise for this camp. You placed a high value not only on skill, but on character. Thank you for the confidence you have given my son and for reaffirming the importance of character. I will enthusiastically refer my friends to this camp next year.

Sincerely,

Andrea Hennessy
(actual camper parent)

- THANKS FOR SPREADING THE WORD -
7 out of 10 campers have heard about our camp from former campers. We are proud of that!!!
